J. F. Lambert and Miss Cordie Nichols were married at the court house by Judge James P. Bailey Wednesday.

Lucien Bourne and Mrs. Maggie Huddleston, both of Parkersville, celebrated the glorious Fourth by getting married.

Mr. Harris White, of Parker City, Ind., a son of Mr. Jas. I. White, of this place, was married a few days ago to Miss Gertrude Bryant, a handsome young lady of Cumberland county.

Rarely has a more beautiful wedding been witnessed in this county than that of Miss Mary Orear Hall and Mr. Daniel Hampden Breck which was solemnized Wednesday evening at 8 o'clock at "Rose Hill," the picturesque and historic home of Miss Mary Pickett, aunt of the bride. The house was prettily decorated, the room in which the ceremony took place being in white and green. To the strains of Lohengrin's wedding march, exquisitely rendered by Miss Lida Berry and Prof. Bullett, the bridal party entered, preceded by the two lovely little flower-girls, Misses Elizabeth Givens and Julia Jenkins; then came the small ring bearer, Master James Tribble, followed by Miss Mary Pickett, the maid of honor. The ceremony was performed in a touching and impressive manner by the white-haired father of the bride, Rev. W. W. Hall. The bride, who is a cousin of Mrs. W. A. Tribble, of this place, was handsomely gowned in a dress of white organdie and lace and carried a beautiful bouquet of bride roses.—Mayville Bulletin.

The average condition of cotton on June 25 was 88, as compared with 83 on May 26.

J. L. Bruce's crop of wheat, which has just been threshed out, will make an average of 37 bushels to the acre. The crop all over the county will not fall less than 20 bushels.—Advocate.

The report of the Kentucky agricultural bureau for the month of June states that all growing crops were well cultivated. Wheat has been harvested and shows a shortage, while corn is rather late. The tobacco acreage in the dark district is reduced. The oat crop shows a falling off.

R. Leslie Combs bought of C. Lebus, of near Cynthiana, his 1904 crop of wool, 4,012 pounds at 25 cents straight. His whole herd averaged 6 7-10 pounds of wool per head. Mr. Lebus also sold and weighed to Talbott & Carroll, on June 23 260 lambs, averaging 8 1/2 pounds at 6 cents.—Lexington Democrat.

This evening the members of the congregation will hold a reception in honor of the pastor, at which a purse will be presented to him.—Philadelphia Ledger.

**Sold Fifty Boxes of Chamberlain's Stomach and Liver Tablets.**

I have, I believe, sold 50 boxes of Chamberlain's Stomach and Liver Tablets on the recommendation of one lady here, who first bought a box of them about a year ago. She never tires of telling her neighbors and friends about the good qualities of these Tablets.—P. M. Shore, Druggist, Rochester, Ind. The pleasant purgative effect of these Tablets makes them a favorite with ladies everywhere. For Sale by all druggists.

When bilious take Chamberlain's Stomach and Liver Tablets. For Sale by all druggists.

## HUSTONVILLE.

The mail that has been leaving our office for Moreland at 2:45 P. M. now leaves at 2:15. This change was made by the department at Washington and our postmaster will request a return to the old schedule.

Drs. Hunn and Humphrey, of Louisville, Misses Lyda Pearl Rose, of Shelby City, and Katherine Hall, of Hustonville, form a gay house party at the home of Miss Francis Hunn at Shelby City. E. C. Hopper, of Covington, is with his daughter, Miss Mollie Hopper. Our graded school ball team crossed bats with the champions of Casey county at the Yosemite picnic Monday and easily won the \$20 prize by a score of 8 to 2. This team will enter the State tournament the coming season and the teams that defeat them will have to play ball.

Considerable inquiry is being made as to the charges for tuition in our graded school to parties living outside the district. I am authorized to state that although the trustees have employed at a large salary one of the best superintendents in the State and the faculty will be second to none, that the price of tuition will be exceedingly reasonable and the course of study thorough in every grade.

It is no trouble to sell property here at fair prices since the establishment of our graded school. The sales made Tuesday included the Allen Hunn business house on Main street to McCormack & Son. This is a wooden structure and will be veneered with brick and made a first-class business house. Dinwiddie Bros. bought the lot of Coulter & McCormack upon which they will build a commodious livery stable and stock same with a new line of up-to-date rigs.

J. B. Adams and daughter of Longview, Ala., are with friends and relatives here this week. Geo. Dinwiddie, of Beattyville, is with the old folks at home. B. A. Reese and wife, of La Grange, Ga., are with W. R. Williams and family on West Main street. Mrs. R. N. Adams, of McKinney, Texas, is visiting her mother, Mrs. S. A. Goode, who is quite ill at the home of her daughter in Lexington. F. B. Tidwell, who is now traveling from Clarksville, W. Va., spent a few days here this week. Jack Weatherford and wife, of Kendallville, Ind., are visiting relatives here. W. D. Routt, superintendent of transfer line at Bernside, spent a few days with relatives here.

The marriage of Mr. Robert Lee Terhune and Miss Mary Elizabeth Adams was solemnized at the home of the bride's mother, Mrs. Martha B. Adams, on the 29th at 1 o'clock P. M. Only the families and a few close friends were present to witness the ceremony, which was performed in a beautiful and impressive manner by Rev. Thomas Terhune, of Barboursville, brother of the groom. The parlor was beautifully decorated, the color scheme being green and white, the flowers used being white roses, sweet peas and daisies. The bridal party entered the parlor to the sweet strains of Mendelssohn's wedding march, beautifully rendered by Mrs. C. W. Adams. Misses Murray Adams and Beecher Newburn carried ropes of green to form an aisle. Miss Frances Adams was maid of honor and wore a beautiful gown of silk green silk, hand embroidered in pink and carried a profusion of pink carnations. The bride, who is an accomplished musician, never looked lovelier than in her wedding gown of white Paris muslin and lace, with a shower bouquet of bride's roses. The groom's brother, Mr. Charles Terhune was best man. Mr. Terhune, who is a prominent young business man of Bradfordsville, is a fine gentleman in every respect and is to be congratulated upon winning such a helpmate as his bride is sure to be.

## Brutally Tortured.

A case came to light that for persistent and unmerciful torture has perhaps never been equaled. Joe Golobic, of Colusa, Calif., writes, "For 15 years I endured insufferable pain from Rheumatism and nothing relieved me though I tried everything known. I came across Electric Blitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for Liver and Kidney troubles and general debility. Only 50c. Satisfaction guaranteed by G. L. Penny Druggist.

## Safeguard the Children.

Notwithstanding all that is done by boards of health and charitably inclined persons, the death rate among small children is very high during the hot weather of summer months in the large cities. There is not probably one case of bowel complaint in a hundred however, that could not be cured by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Mr. Frank Riggs, of Franklinville, N. Y., in speaking of this remedy said: "I have found it expedient to have a supply of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand. It has been a family safeguard and while especially beneficial to children, it is equally good in adult cases. I recommend it cheerfully and without reservation." For sale by all druggists.

Grant, in Louisville, settled, through the American Bonding Company, the judgment of \$25,000 which was returned against him by the court of appeals in favor of his daughter-in-law, Mrs. Sallie Owsley, of Burkesville. Mrs. W. F. Owsley, Jr., asked for a settlement of trust which she had given in charge of Judge Owsley at the time of her marriage to his son. Judge Owsley resisted the settlement on the ground that the property had passed into the proprietorship of his son and that he had acted as the agent for his son and not as the trustee of his daughter-in-law. He also claimed that in a settlement with his son he had liquidated all claims.

## Cured of Chronic Diarrhoea After Ten Years of Suffering

"I wish to say a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mrs. Mattie Burge, of Martinsville, Va. "I suffered from chronic diarrhoea for 10 years and during that time tried various medicines without obtaining any permanent relief. Last summer one of my children was taken with cholera morbus, and I procured a bottle of this remedy. Only two doses were required to give her entire relief. I then decided to try the medicine myself, and did not use all of one bottle before I was well and I have never since been troubled with that complaint. One cannot say too much in favor of that wonderful medicine." This remedy is for sale by all druggists.

The oldest living Confederate veteran is G. W. Bradley, who was born in Lynchburg, Va., June 3, 1807. The anniversary of his birth falls on the same day as does that of Jefferson Davis and the aged citizen this year observed the occasion at Nashville.
